Work Experience

White Oak Communications, LLC. Raleigh, NC. *Owner.* 2006–present. Built a well-respected company that encompasses my graphic design work and niche-market publishing. I publish, market, and distribute two very popular glider flight training textbooks and a marriage enrichment workbook. I also provide graphic design services on projects ranging from newsletters to wedding invitations. My clients include individuals, corporations, educational institutions, and community organizations. I manage all aspects of daily operations including bookkeeping, customer service, shipping, and financial reporting.

Note in the Pocket, Inc. Raleigh, NC. *Volunteer.* 2013. Involved in the growth of this all-volunteer organization from a church ministry to a registered 501(c)(3) nonprofit. Implemented awareness, volunteer, and fund development programs. Created the organization's logo, designed print materials, and enhanced the organization's website to incorporate volunteer scheduling, partner registration, and clothing referrals. Developed the infrastructure to process and deliver an increasing inventory of donated clothing. Raised funds through grants, direct asks, and online campaigns. Crowdfunding campaign raised nearly \$30,000 in November 2013.

Our Lady of Lourdes School. Raleigh, NC. *Yearbook Advisor.* 2012–2013. Won a National Yearbook Program of Excellence Award from Jostens for leading a volunteer student and parent staff in the production of an inclusive and thorough overview of a year in the life of kindergarten through eighth grade students at OLLS. Conveyed the principles of design, reporting, photography, and time management to middle school students.

Monroe County Public Library. Bloomington, IN. *Graphic Artist.* 2002–2005. Designed and produced print materials promoting library programs and services while maintaining a consistent professional image for the organization. Effectively and cost-efficiently conveyed all the services, programs, and events that the library offered. Developed an array of materials including original summer reading program materials, monthly programming newsletters, and annual reports. Prepared library statistical data for presentation at board of director meetings.

Signature Designs. Bloomington, IN. *Owner/Designer.* 1996–2004. Built sole proprietorship graphic design business with a diverse customer base. Created web and print products from conference programs and newsletters to complete websites for academic departments and real estate agents. Grew business through word-of-mouth referrals with excellent customer service. Designed an innovative approach to real estate marketing that utilized an online database that allowed agents to enter pertinent data about their listings and output high-quality property promotional flyers.

Muscatine Power and Water. Muscatine, IA. *Energy/Communication Specialist.* 1992–1996. Developed and implemented Demand Side Management and related energy efficiency programs for local municipal utility. Also planned and designed the utility’s external communications programs. Introduced new utility mascots, “Splash & Glow” through community events and school visits promoting safety and efficiency. Served on the Load Forecasting and Planning committee. Planned and coordinated special events.
